Victorian Institute of Forensic Medicine

Document Name: **CAREERS INFORMATION SESSION REGISTRATION**

Career Information Afternoons have been introduced at the Victorian Institute of Forensic Medicine in response to the large number of enquiries we receive regarding Work Experience. Due to the sensitive and confidential nature of the work carried out at the Institute, we are unable to offer work experience placements for secondary school students. As an alternative VIFM offers secondary school students in years 10, 11 and 12 and those with an interest in forensic science an opportunity to attend a Career Information Afternoon designed to offer an insight into the various career options available in the forensic sciences.

We hold 2 Career Information Afternoon sessions per year. The afternoon commences at 12.30pm and generally concludes by approximately 4.00pm. The sessions are held in the Institute Lecture Theatre. We are based at the Coronial Services Centre - our address is 57-83 Kavanagh St, Southbank. Please note that a tour of the building **will not** be offered.

Anyone wishing to attend **MUST** complete and return this registration form to VIFM no less than 1 week prior to the event. Places are limited so priority will be given in order of forms received. Please submit only one form per person.

Please return completed forms to:
